

Fleet by NetJets.

NetJets manages and operates the largest and most reliable private jet fleet in the industry with an average aircraft age of approximately 6 years. NetJets' 3,500+ pilots are among the most highly trained in the sky. Every pilot in the NetJets U.S. program is FAA type-rated as captain and averages more than 7,500 hours of flight experience. With access to the exclusive NetJets fleet, infrastructure, and world-class service, Marquis Jet Card Owners enjoy a value and quality that is unsurpassed by other jet card programs.

Experience The Ranch at Rock Creek. More easily. More often.

When you fly with the Marquis Jet Card program, Montana is closer than you think. Avoid the long lines, delays and baggage claim hassles of scheduled commercial travel and fly a direct route to The Ranch at Rock Creek. With access to smaller airports than scheduled commercial airlines, Marquis Jet Card Owners can select the most convenient departure or arrival airport. When you fly on your own jet and on your own schedule, you will have more time to *enjoy the true west in true comfort.*
