adventure moons

For thrill seekers and adrenaline junkies, these four epic escapes offer the perfect mix of excitement, romance and luxury.

wilderness safari

Get an outdoorsy adventure with luxe resort amenities at Bilila Lodge Kempinski in Tanzania's famous Serengeti National Park. You'll have unparalleled vistas, with the chance to see Africa's big five: rhinos, leopards, lions, buffalo and elephants. The honeymoon package (from \$960 per night, Kempinski.com) includes a Terrace Suite with an infinity plunge pool, a terrace, a rain shower, Serengeti views, a daily spa special and daily drives into the African bush.

western ranching

You don't need a passport to get your thrills—The Ranch at Rock Creek is 6,600 acres of rugged wilderness in Montana (from \$925 per person, TheRanchatRockCreek.com). Book a luxe room or log cabin. Or if you really want to "rough it," there are canvas cabins: half-cabins, half-tents. In winter, try snowshoeing, sleigh rides, ice-skating and skiing. In summer and fall, go fly-fishing, horseback riding and hiking. Afterward, head to the spa for some pampering.

rain-forest tour

Can't decide between a European cultural excursion and an African safari? Do both at Bristol Buenaventura in Panama, with its jungles, beaches and cultural wonders (from \$320, TheBristol.com). Hike through the rain forest on the Ell Valle Canopy Tour and take a ride on the zip line over the forest and El Macho waterfall. Or take a tour of the Panama Canal, the "Eighth Wonder of the World." For a little R&R, hit up the beach or your suite, with 24-hour concierge service.

aquatic adventure

On Asia Transpacific Journeys, led by local marine biologist guides (from \$7,895 per person, AsiaTranspacific.com), you'll snorkel around Fiji's coral reefs and see humpback whales calving off the coast of Tonga. On dry land, you'll have the chance to visit traditional villages and beautiful beaches on Tonga and Fiji. At night, return to your beach resort and its unbeatable views.

new honeymoon hot spots

Our picks for the top honeymoon-worthy hotels to open their doors this year.

W RETREAT & SPA BALI - SEMINYAK BALI, INDONESIA

Get W's top service in an idyllic beach spot. Its Away Spa is open 24/7 (midnight massages, anyone?), and we recommend cocktails at the beachside WooBar and pan-Asian at Starfish Bloo (StarwoodHotels.com/whotels).

MANDARIN ORIENTAL, PARIS PARIS, FRANCE

On one of the world's most fashionable blocks, and steps from the Louvre, the Mandarin Oriental's new Parisian outpost can't be beat. It's got all the Mandarin hallmarks, including a luxe spa (MandarinOriental.com/paris).

VILLARRICA PARK LAKE HOTEL & SPA VILLARRICA, CHILE

Surrounded by volcanoes, mountains and lakes, the Villarrica Park Lake is an outdoorsy couple's dream come true. Just 435 miles south of Santiago, it's got incredible views and more (StarwoodHotels.com/luxury).
