

THE RANCH AT ROCK CREEK

SET AMONG 10 SQUARE MILES OF RUGGED MONTANA RANCLAND...

...is The Ranch at Rock Creek – a luxury guest ranch that brings together upscale amenities and wide open spaces like never before.

In the stone-and-timber Granite Lodge, inspired cuisine and Western-themed rooms begin to define your experience here.

Immerse yourself in nature, staying in one of the luxury riverside canvas cabins, or opt for the privacy of a classic log home in the foothills overlooking the valley.

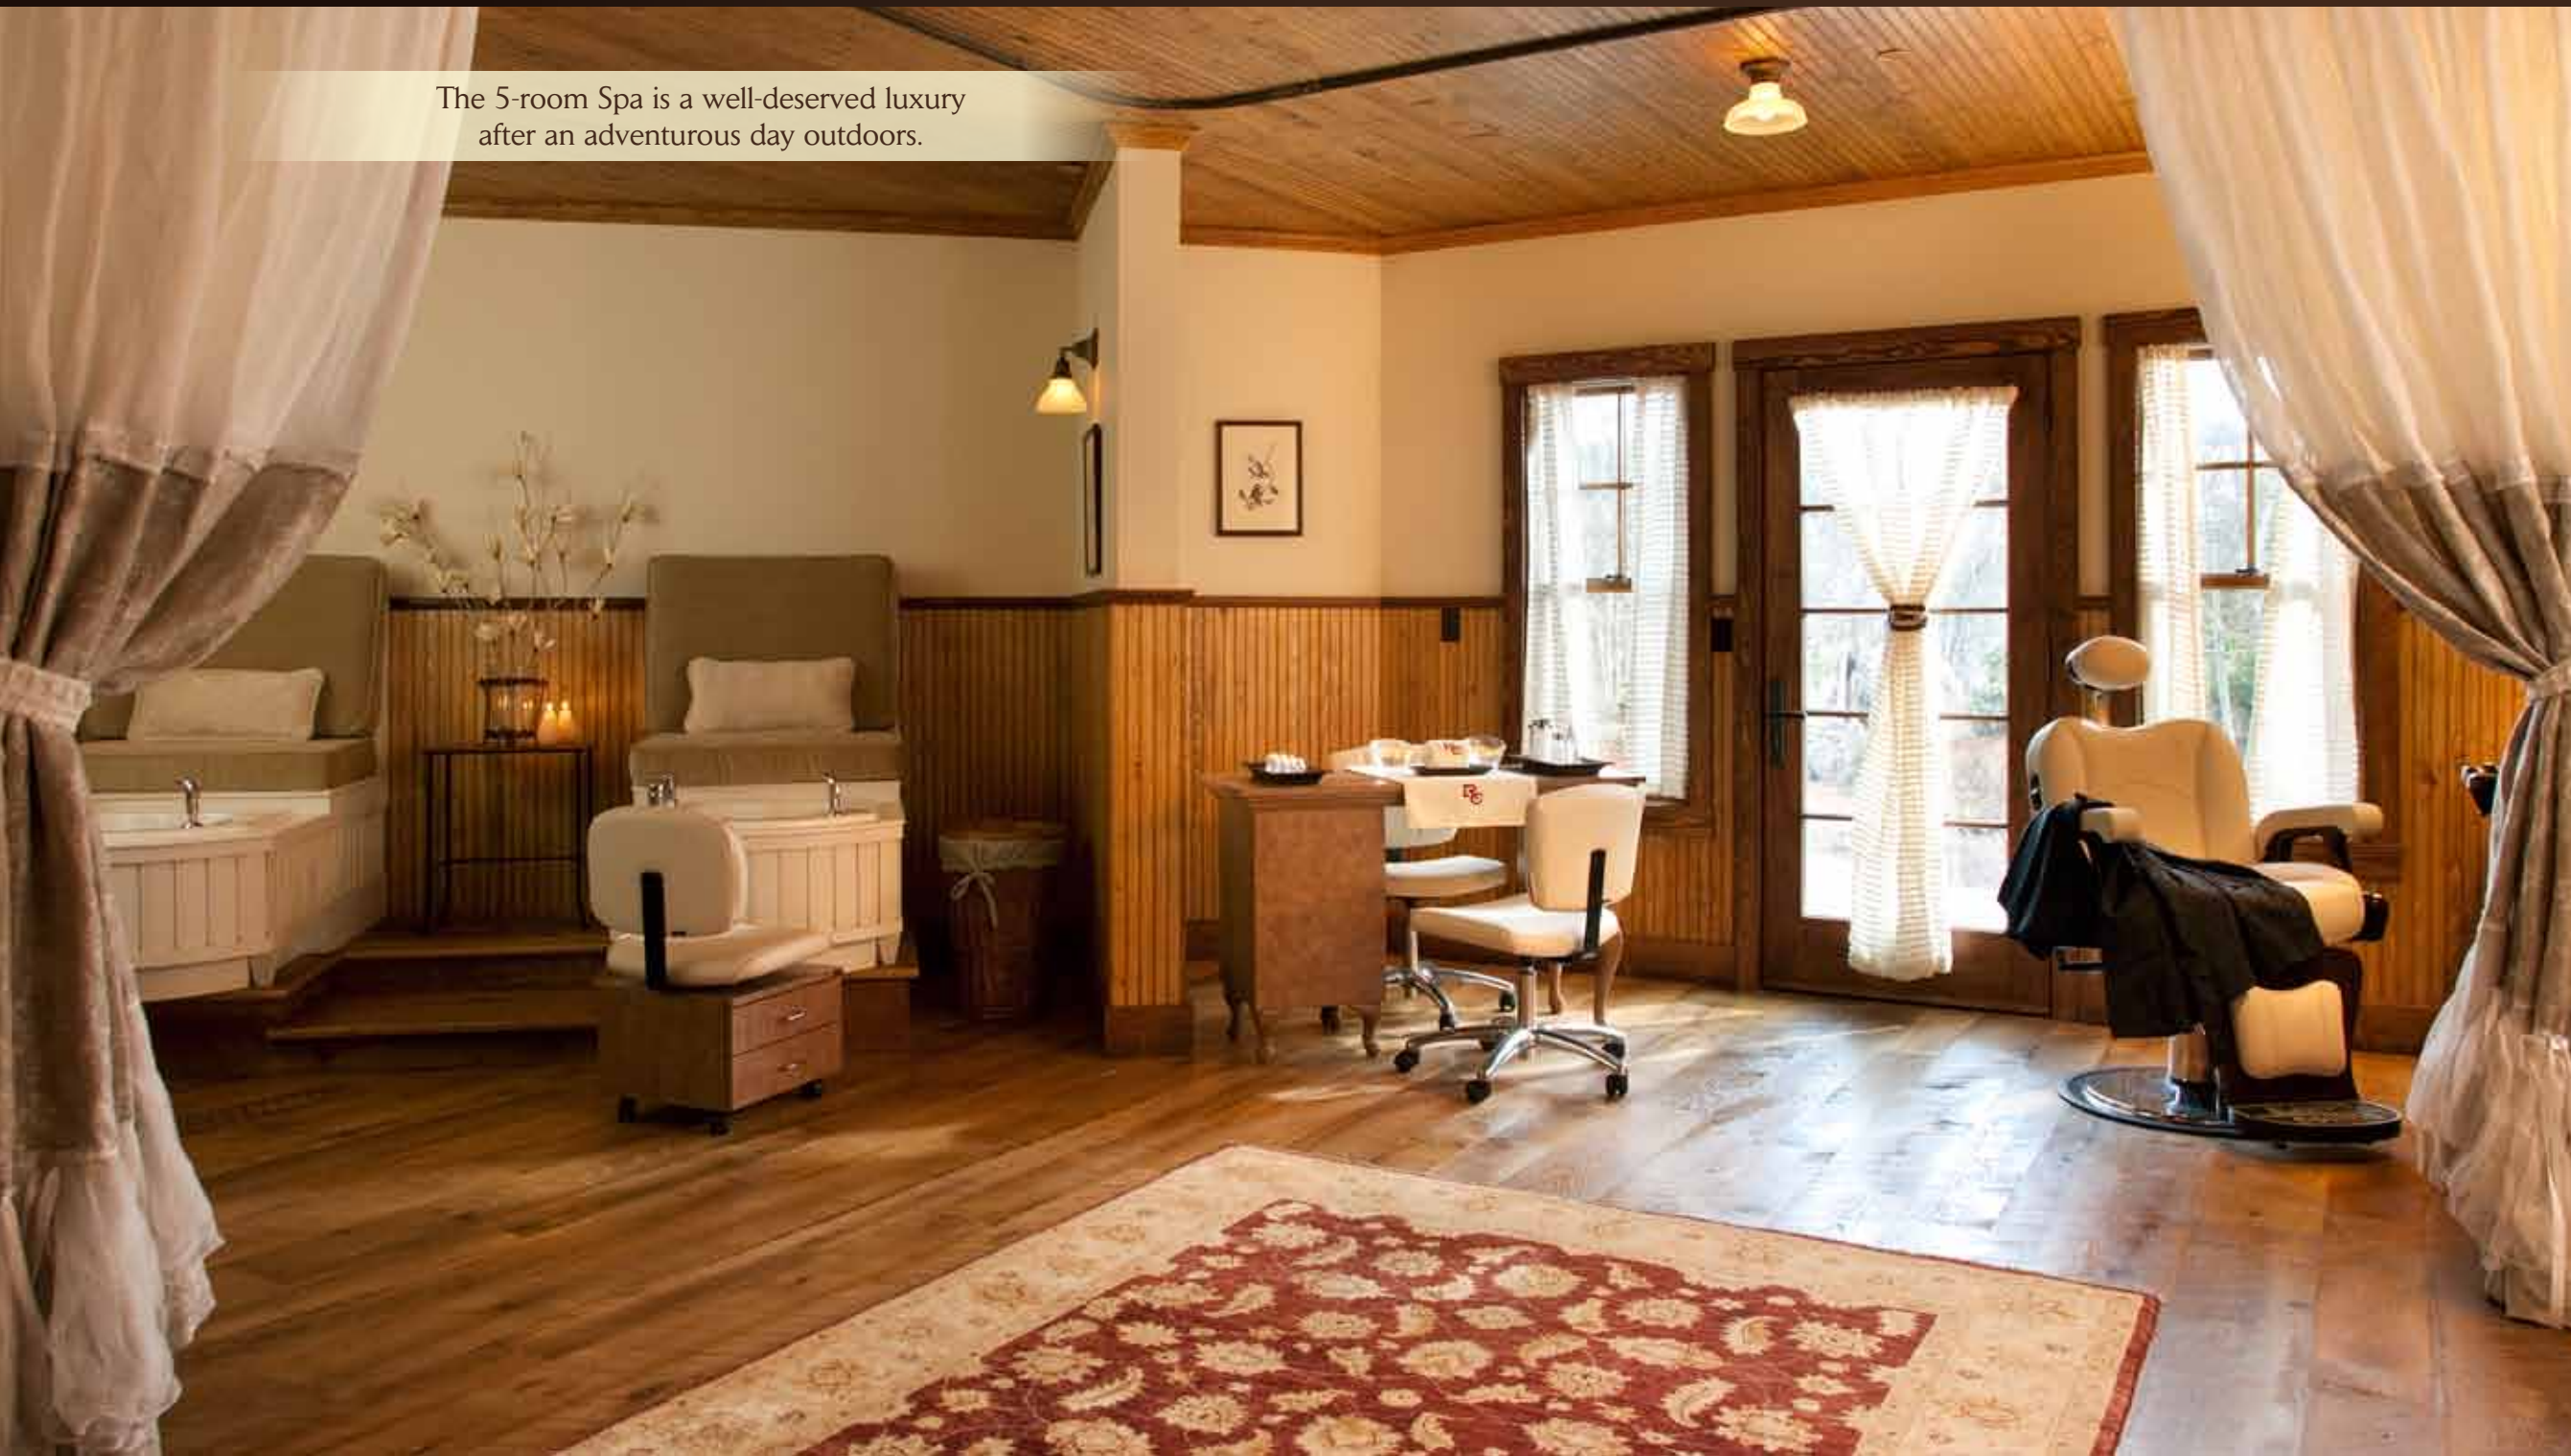

Whether it's cocktails and hors d'oeuvres in The Granite Lodge, or games, movies, and tall tales after dinner in the Silver Dollar Saloon, the Western tradition of gathering with friends remains strong here.

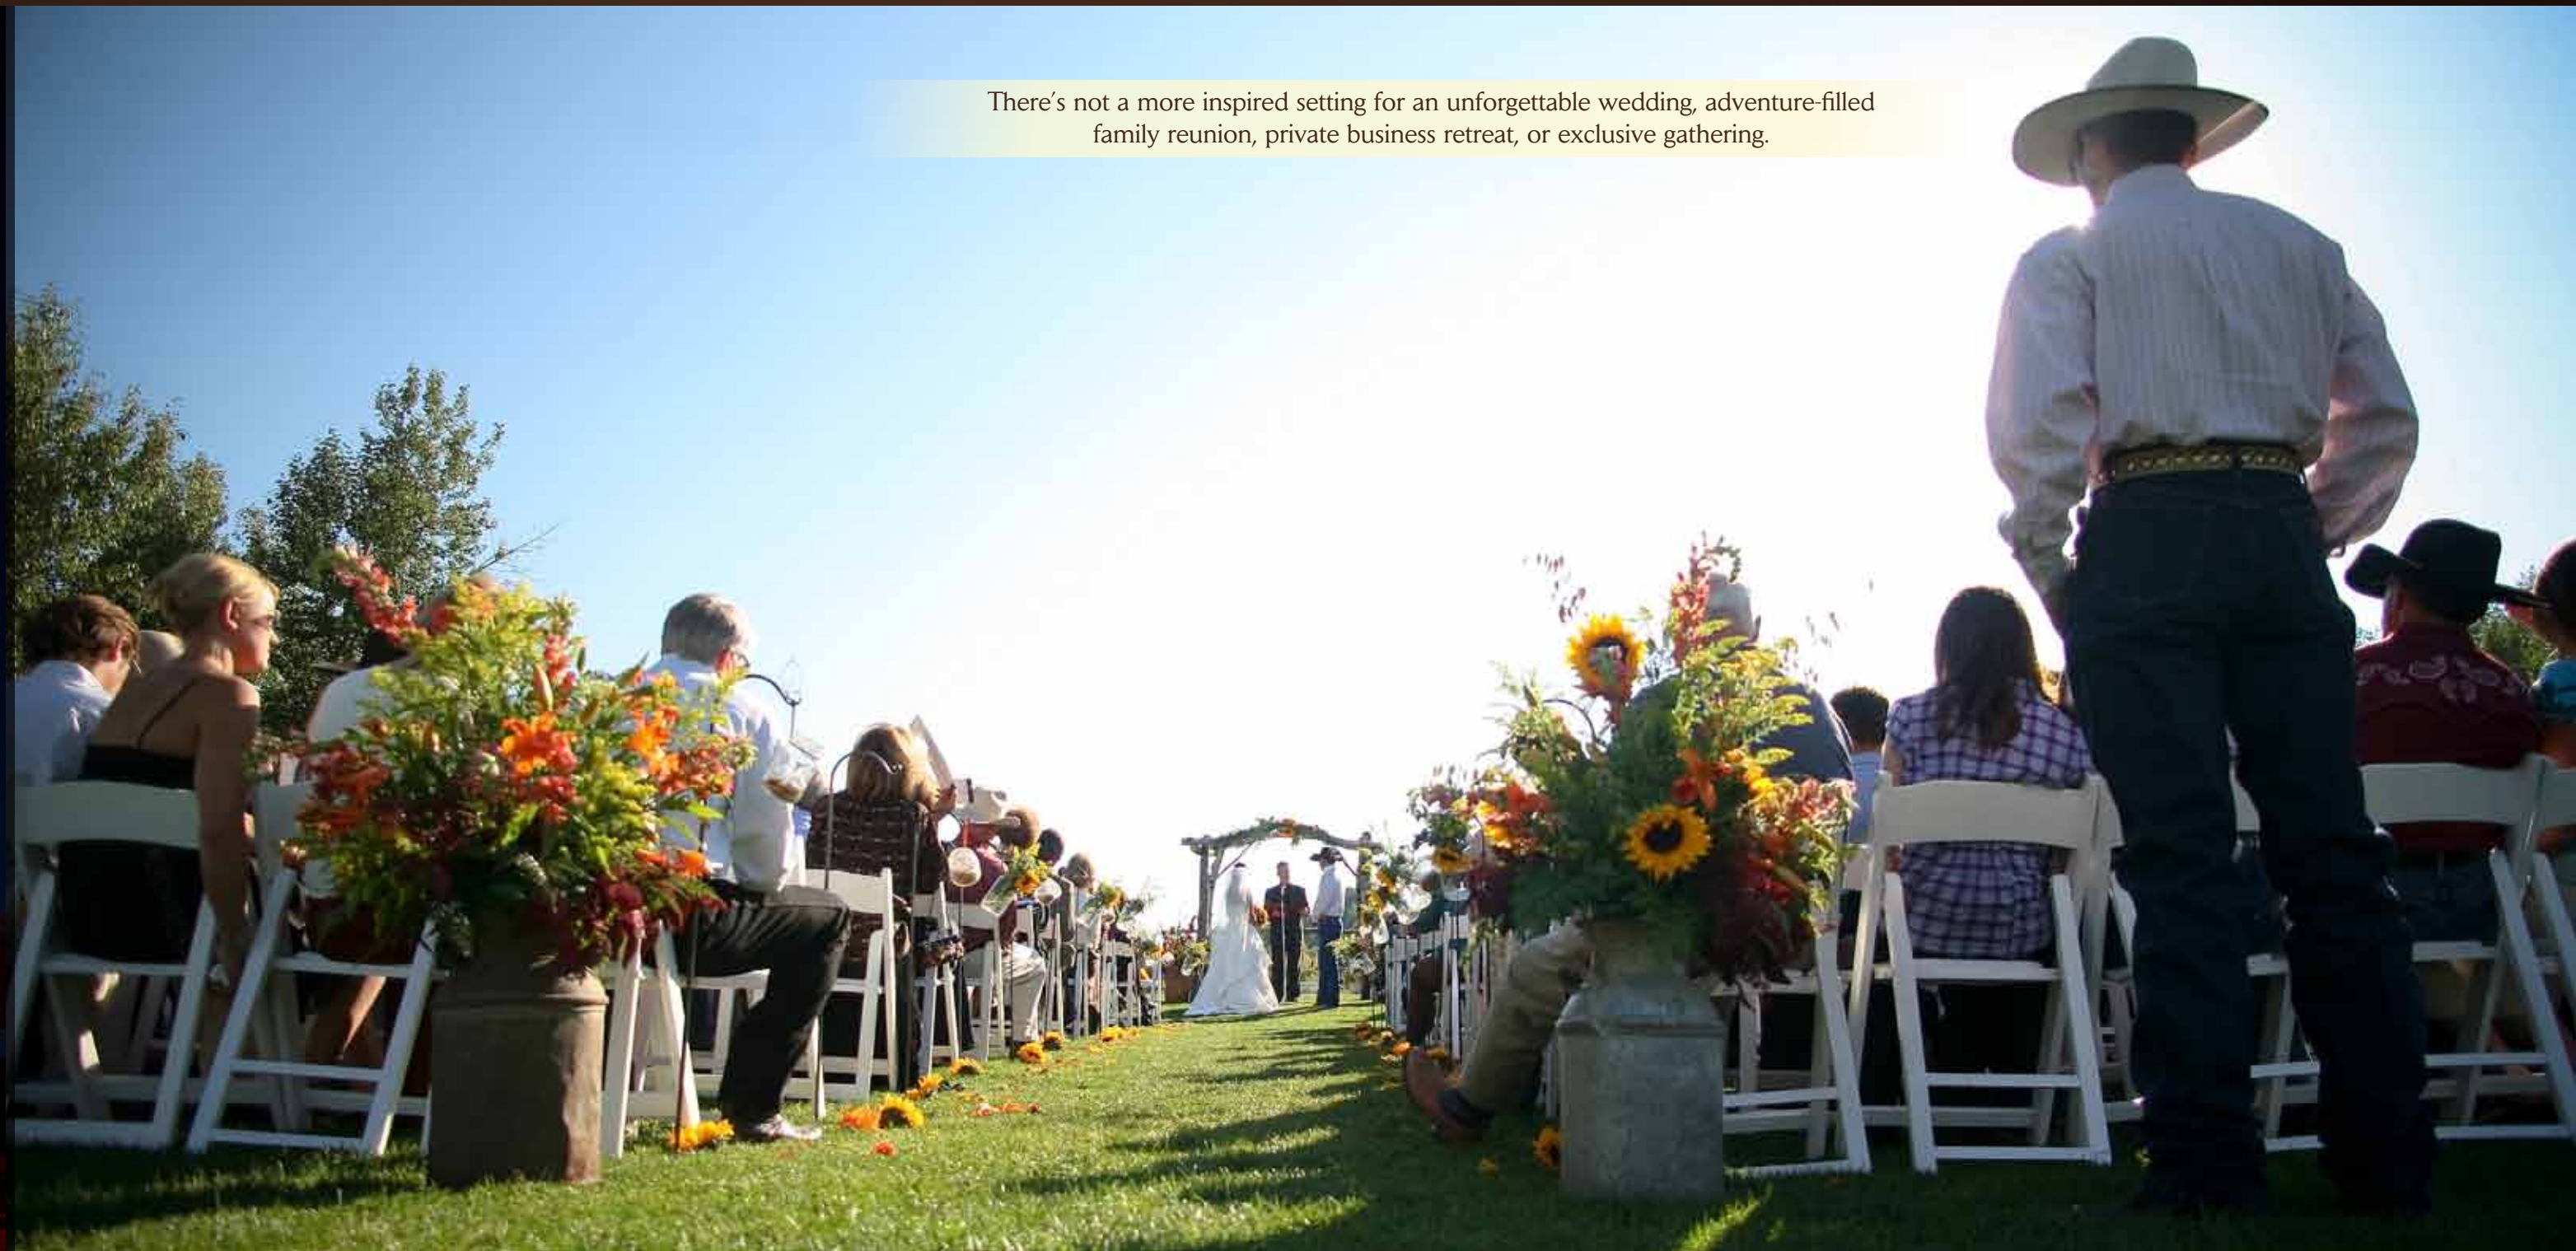

The mountains and meadows that surround The Ranch provide a stunning and almost limitless backdrop for outdoor recreation.

The 5-room Spa is a well-deserved luxury after an adventurous day outdoors.

There's not a more inspired setting for an unforgettable wedding, adventure-filled family reunion, private business retreat, or exclusive gathering.

Crystalline mornings and sunset sleigh rides, crackling fires and massages, cross-country and cold-smoke-powder skiing – winter at The Ranch offers a vibrant experience.

Our part of the country abounds with culture and nature that simply can't be found anywhere else.
